Subject: Forfeiture Fund Expenditures

Below you will find goods and services we wish to purchase with money from the Contraband Forfeiture Fund. All items requested are outside of our normal budget and fit the guidelines as outlined in the Florida Contraband Forfeiture Act ( Florida State Statute 932.701 ). No money spent will come from the City of Neptune Beach.

1. Asset Forfeiture Conference.....1,123.00

Our detective handling our forfeitures has never had any formal training. This training focuses on state forfeitures which is what we mostly deal with. Last year our forfeitures totaled \$18,273. While we want to increase our forfeitures by taking advantage of all the loopholes, we also want to make sure we do it legally.

2. Motorcycle helmet and wireless microphone.....\$1,002.97.

For safety reasons we use a wireless microphone in the helmet of the motorcycle officer. His hands never have to leave the handlebars while receiving or answering messages from HQ or other officers.

3. Carry-All bags for SWAT team members. Eight @ \$39.99 each.....\$319.92.

Not all team members have these bags and the ones we have are wearing out.

4. Magazines for the AR-15 rifle. Twenty @ 17.95 each.....  
\$359.00.

The springs in the current magazines are showing signs of wear and need to be replaced.

Total request.....\$2804.89.
