

Neptune Beach Police Department Memorandum

To: Harriet Pruette, Mayor
From: Asst. Chief P.A. Carrillo 
Date: 06/15/2010
Subject: Police Officers Retirement Board

Madam Mayor, as you know, the Police Officers Retirement Board consists of five members of which two are appointed by the City Council. The Police Officers choose two and then the four board members pick the fifth member.

As required, the two members that the City Council chooses are required to live in the City of Neptune Beach. The Council had chosen, Mr. Don Padgett, CPA and Mr. Benny Rodriguez.

Sgt. Frank Cashman and I were elected by the police officers.

The four board members then chose Mr. Carl Hashey as the fifth member.

Mr. Padgett has recently moved out of the city and has resigned his position from the board.

Mr. Padgett is a CPA and is extremely knowledgeable of how the Retirement Plan works. He still wishes to be a member on the board.

Mr. Hashey is willing to resign. He is asking the City Council to name him to the appointed position on the board. He is a long time resident of Neptune Beach and has been on the board for numerous years.

If the City Council appoints Mr. Hashey to the board, then the four board members can elect Mr. Padgett as the fifth member on the board.
