### **Miami, Florida**

Miami's amazing medley of cultures and flashy urban settings makes it a scene to be seen. Visit the trendy Art Deco district of South Beach, Calle Ocho in Little Havana, the super-upscale neighborhoods of Coconut Grove and Coral Gables and the unique ecosystem of the Everglades.

### **George Town, Grand Cayman**

The largest of the Cayman Islands, Grand Cayman is famous for its Seven Mile Beach, the popular Stingray City and its excellent diving. Both nature and history are preserved underwater with a collection of easily viewed shipwrecks.

### **Cartagena, Colombia**

The old walled city of Cartagena reflects a turbulent history of conquistadors and pirates. Climb "las murallas" for an unforgettable view of the harbor. Shop for emeralds and leather goods along the cobblestone streets of this enchanting city.

### **Panama Canal/Gatun Lake, Panama**

When you book an overland journey on your partial transit of the Panama Canal, you'll really travel like the jetsetters do as you sail through the Caribbean entrance of this maritime marvel. Once we arrive at Gatun Lake, booked shore excursion guests can disembark for an unforgettable adventure that not only promises beautiful scenery and wonderful photo ops, but an exciting jaunt to Colón, where guests will resume their cruise back aboard the ship. How's that for excitement?

### **Colon, Panama**

Sail into the Caribbean seaport of Colón and grab a good spot on deck so you can take in the view. What a picture it is. Behold the Atlantic Ocean entrance to the famous Panama Canal. Born from a desire to get to California (and its Gold Rush) as fast as possible, this industrious town was the last stop on the 19th century Panama Railroad. It's now home to Canal Zones, U.S. military bases and of course, beauty.

### **Puerto Limon, Costa Rica**

Puerto Limón is known for its multi-cultural community and a festive annual carnaval celebration. In recent years the area has become even better known as must-see stop for eco-tourists. The region's unique geography and neo-tropical climate combined with abundant rainforests make for one of the most naturally diverse "biospheres" in the world. And you can take advantage of national parks and reserves in all directions from Limón. Pay close attention when you dock as many guests have reported seeing peaceful sloths lumbering in the trees right in port!

### **Harvest Caye, Belize**

Belize is ideal for eco-tourism. With diverse ecology consisting of jungles, rainforests, swamps, coral reefs and so on, you will find solace and adventure in Harvest Caye's stunning landscape.

### **Cozumel, Mexico**

The island of Cozumel off the tip of the Yucatan Peninsula continues to be known for its fantastic fishing, snorkeling and diving opportunities. And despite the growth of tourism in recent years, the island and its only town, San Miguel, retain much of their original warmth and charm.
